# EVENTS WE COVERED

- POLISH HARVEST AND HERITAGE EVENT
- WEMBLEY MELA
- THE WOOLMEN'S SHEEP DRIVE 2025

# LEADERSHIP AND DEVELOPMENT SESSIONS

A significant milestone for the K4 Group of Companies, in partnership with the Sharifa Ibrahim Foundation, as our ongoing youth engagement seminars have reached the University of Lahore. It was an honour to stand before a hall filled with ambitious students, respected faculty, and notable guests, sharing knowledge and inspiration with the next generation of leaders.

# SPONSORSHIP DEAL WITH RICHMOND RUGBY

Sport has always been a force for unity, bringing people together beyond differences.

K4 Group has proudly supported Richmond Rugby for years, ensuring the club's events are safe and secure.

Now, we're taking that partnership further, stepping in as the official club sponsor, a commitment that reflects our belief in community, unity, and the power of sport.

# INTERNATIONAL SECURITY EXPO

K4 Group was honoured to return as an exhibitor at the International Security Expo for the third consecutive year, continuing our pursuit of representing excellence in the industry.

# CN AGENCY LEADERS SUMMIT 2025

K4 Group of Companies was proud to sponsor the CN Agency Leaders Summit, held at the East Sussex National Resort. Over two days, more than 60 agency leaders came together to network, share insights, and discuss the future of the events industry.

It was an incredible experience to be part of this event, bringing CEOs, MDs, founders, and directors from full-service agencies and industry leaders to identify challenges and address them collectively. Thank you to Conference News Agency for organising and leading this initiative.

**DESMOND WALKER**

# EMPLOYEE OF THE MONTH

We're proud to recognise Desmond Walker for his outstanding commitment and unwavering work ethic, a true reflection of the values that drive K4 Security Services forward.

# INCIDENT REPORT

When we claim to be proactive and vigilant, this is our standard.

At approximately 23:27 on the 24th of September, one of our client sites triggered an alarm. Within 10 minutes, our response officer arrived on site, which demonstrated the speed and efficiency we vouch for our mobile patrol teams. Upon arrival, the officer contacted the local police and provided them with all the evidence to get the intruder interrogated.

Consequently, the police inspected the site, located a male intruder and arrested him.

This is just one example of how our prompt mobile service teams prevent potential incidents, ensuring risks are addressed before they escalate or cause damage.
