SECURITY AND FIRE EXCELLENCE AWARDS

An unforgettable evening it turned out to be at the Security and Fire Excellence Awards, hosted at the prestigious JW Marriott Grosvenor House.

K4 Group of Companies was nominated across seven different categories, an achievement that genuinely reflects the standards we uphold and the level we continue to strive for.

WEST LONDON BUSINESS AWARDS

A truly wonderful experience at the West London Chambers Awards held at the Novotel. We were honoured to stand alongside fellow finalists as K4 Group was nominated in 7 categories.

Events like these remind us why recognition matters. They motivate businesses to keep raising the bar, and that collective ambition is exactly what the industry needs.

MONTHLY INDUCTION

On 20th of November, K4 Group of Companies recently held an induction session for our newly joined security staff, organised by K4 Training.

The session introduced our standards of professionalism, communication, and accountability, ensuring every officer understands their role and the expectations we uphold.

MONTHLY REFRESHER SESSION

On 27th November, K4 Training held its monthly refresher session for our security officers, focusing on Martyn's Law, emerging risks, updated procedures, and scenario-based learning. Ongoing training ensures our teams stay confident, compliant, and fully prepared for modern security demands.
